# Creative Challenge

*from www.clwyd-scouts.org.uk*

| | Name of Beaver Scout | | | | | | | | | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| The Beaver Scout must complete four activities, at least one from each area | | | | | | | | | | | | | | | | | | | |
| **Creative**<br>• Act or mime a simple scene<br>• Learn a new song and sing it<br>• Make a model. This could be out of anything such as junk, kit or Lego<br>• Make a musical instrument and play it | | | | | | | | | | | | | | | | | | | |
| **Activity 1** | | | | | | | | | | | | | | | | | | | |
| Activity 2 | | | | | | | | | | | | | | | | | | | |
| **Cooking**<br>• Try some simple cooking eg making cakes or decorate biscuits<br>• Make a hot drink safely | | | | | | | | | | | | | | | | | | | |
| **Activity 1** | | | | | | | | | | | | | | | | | | | |
| Activity 2 | | | | | | | | | | | | | | | | | | | |
| **How things work**<br>• Learn how a simple mechanism works eg a lock, bike pump, Meccano etc<br>• Learn what a magnet does<br>• Use some food colouring to, for example, tie-dye material or watch celery change colour<br>• Light a bulb using a circuit | | | | | | | | | | | | | | | | | | | |
| **Activity 1** | | | | | | | | | | | | | | | | | | | |
| Activity 2 | | | | | | | | | | | | | | | | | | | |
