Know how to prepare for a one-day expedition to the countryside (e.g. correct clothing, footwear, First Aid kit and food and drink)																				
Spend two nights away on a residential experience with other Cub Scouts (these nights should be in addition to Nights Away used for the Outdoor Challenge but do not have to be consecutive)																				
Plan and then travel along a route of at least one kilometre on foot or using any method of self-propelled transport and navigate using any of the following: Compass, Map, Landmarks, Tracking signs, Taped instructions Or plan and then use a route using at least two types of public transport. The route should not be one that is familiar to the Cub Scout
