Complete the activities in one of the following two areas:																				
Area 1 - Expedition - 'A journey with a purpose' Take part in an expedition over two days (including a night away) with at least three friends. Be involved in the planning of the expedition, complete relevant training and be properly prepared.																				
Play a full part in the team																				
Journey for at least four hours each day																				
Use a map to keep track of where you are																				
Stay overnight at a hostel or other suitable venue, or camp overnight at a suitable site																				
Cook the evening meal and breakfast																				
Achieve at least one goal, agreed with your Leader before the expedition																				
The expedition may be on foot, canoe, cycle or sailing boat. Other options may be appropriate, and should be agreed beforehand.																				
Area 2 - Exploration - 'A purpose with a journey' Take part in an exploration over two days (including a night away) with at least three friends, and report or present your findings. You must be involved in the planning of the exploration, complete relevant training and be properly prepared. You must have completed some initial research into the subject to be investigated. The challenge should take place somewhere you have never been before or don't know well.																				
Play a full part in the team																				
Travel for at least 90 minutes to a hostel, campsite or other suitable venue.																				
Use a map to keep track of where you are.																				
Conduct the exploration within an agreed area (discussed with a Leader in advance) collecting evidence and information for the report or presentation.																				
Stay overnight at the venue and cook the evening meal and breakfast.																				
Complete the exploration before returning home.																				
Have the report or presentation ready within four weeks of the exploration.																				
The journey may be on foot, or by public transport, canoe, cycle, aircraft, wheelchair or boat. Other options may be possible and should be agreed beforehand. Note: The 'exploration' element should last 4-5 hours over the two days. It could be anything from an investigation into bird life in a wood to visiting museums in a town.
