### PART ONE – RECOMMENDATIONS

There were no recommendations from this meeting.

### PART TWO – MINUTES OF THE MEETING:

#### 1. WELCOME

The Chairman welcomed Barbara Davies to her first meeting.

#### 2. MINUTES OF THE MEETING HELD ON 14TH NOVEMBER 2009

The minutes of the meeting were approved.

#### 3. MATTERS ARISING

Regarding the recommendations made at the last meeting, it was noted:

- That the change of name of this Team to Heritage Team had been approved
- That the WSC had decided to retain surplus books in its archives rather than sell them
- The Area/County Commissioners will consider whether any material held which is appropriate to Areas/ Counties should be deposited in the appropriate county Record Office.

#### 4. SCOUTING DISPLAY AT NATIONAL WATERFRONT MUSEUM, SWANSEA

Barbara Davies said that she had recovered material not on display. The display will be changed next year and new material will be supplied to the Museum as required.

**5. CENTENARY HISTORY**

It was reported that Howard Desmond had deposited material with the Glamorgan Record Office, and Brian Gregson (Eryri a Môn, Conwy district) had supplied a list of material he has deposited with appropriate Record Offices. Both were thanked for their sterling work. Delyth Wilson had recently received information about the 3rd (later 2nd) City of Bangor Sea Scouts.

**6. WSC CENTRAL ARCHIVE**

Delyth Wilson stated that further sorting of material was required, and hoped to make a further visit to do this. Barbara Davies offered to help. This would be arranged later, in consultation with Shirley.

**7. UNREPRESENTED AREAS**

This is a perennial problem. Members thought that Delyth should carry on writing a Heritage item for Sgowtiai and attempt to interest people in areas such as Montgomery and Mid Glamorgan where we have no one working on Heritage. Sian said she would attempt to cover at least part of Brecknock. It was felt that it was important to try and kindle interest in our history in our younger and more active members.

**8. PERSONAL RECOLLECTIONS**

David McPherson mentioned that he was trying to get past and present Scouting people to write down their personal recollections of Scouting, as an adjunct to the more formal minutes and other records which were held. It was difficult to get people to do this, and so far, he had received three contributions. It was felt that this was a good idea and should be pursued. Each member decided to attempt to emulate David in this respect within their own County or Area.

**9. ANY OTHER BUSINESS**

There was no other business

**10. DATES FOR YOUR DIARY**

The Heritage Team will next meet in March 2011.
